Dear Sir/ Madam

Washington Iranians Media, Inc. is publisher of a Persian newspaper serving Iranian community in the US, since 1996. We currently advertised to hire a professional graphic designer, with full ability in Persian language, for our production department and after 3 months now we have interviewed Mr. Darab Behnam Shabahang, a citizen of Canada, and found him suitable for the position as a qualified professional graphic designer. Mr. Shabahang have been working in the similar position in Vancouver since 1998. We have decided to hire him as soon as he is granted his work permit in the United States.

If there is any question please do not hesitate to contact us.

Sincerely

Taghi Mokhtar  
President
